The Black Pearl is a bouncy game and slide for children 6 to 12 years. There is no doubt that your kids will have fun like crazy playing pirates on the ship of Jack Sparrow. They will be able to slide, jump and play with the punching bags, but most importantly, they will be able to continue Jack Sparrow next movie and will use the same tricks as the pirates do when attacking other ships!

If you want to rent or a similar game that completes this inflatable game, we recommend **Phil the Shark** or **Volcano Island** so your children can also play pirates on an island.
